BREAKING CYCLES

The TIRNGAN Sickle Cell Foundation logo combines three core elements: the **Red blood cell** representing blood and medical awareness, the people **Joining hands** symbolizing the people and warriors living with sickle cell, and And the **Rising arrow** expressing resilience, growth, and the decision to rise despite challenges. Together, the symbol communicates a powerful message life affected by sickle cell, driven by human strength, and defined by the courage to rise, reflecting the foundation's mission to support, educate, and inspire.

ABOUT BRAND

TIRNGAN
SICKLE CELL FOUNDATION
BREAKING CYCLES

Tirngan Sickle Cell Foundation is a youth driven health advocacy organization founded by a sickle cell warrior. The foundation was created from lived experience and a passion to support individuals affected by sickle cell disease while promoting awareness, education, and prevention.

We focus on empowering young people with accurate information about sickle cell disease, genotype awareness, emotional support, and healthy decision-making that can reduce future cases and improve quality of life for those living with the condition.

Mission

To educate, support, and empower individuals affected by sickle cell disease while promoting genotype awareness and informed relationship decisions to reduce the prevalence and impact of the condition.

Vision Statement

A future where every young person is informed about their genotype, every sickle cell warrior is supported, and fewer families are affected by preventable sickle cell complications.

Core Values

- Empathy: We understand the lived experiences of warriors and their families
- Education: We believe knowledge is the first step to prevention
- Awareness: We promote open conversations about sickle cell and genotype compatibility
- Support: We stand with individuals affected by sickle cell disease
- Integrity: We operate with honesty, transparency, and compassion
- Impact: We are committed to creating real, measurable change
